

FLEXSTEEL<sup>®</sup>  
CONTRACT

## Experience & Expertise

We marry beauty, quality, and function to customize products to your design aesthetic.

Offering one of the most client-focused customization processes in the industry, we open the doors of our design and engineering department directly to you. Through intrepid design and thoughtful manufacturing, we engineer furniture that is not only beautiful, but also withstands the rigors of the hospitality industry. At Flexsteel Contract, we're committed to ensuring your vision comes to life.
